Gagashoan

*The 1944*  
*Gagashoan*

Presented by

The Senior Class  
of  
East Rochester High School,  
East Rochester, New York

## *Dedication*

To you, Miss Rice, we gratefully dedicate this Gagashoan because we like you, because every senior has profited from your untiring interest, and because you have inspired us to seek the best in life.

*We are sure you remember the Faculty. They were your guardian angels, and they have been ours for the last six years. Although we have not always seen eye-to-eye with them in some things, we know they were only trying to help us. At times we have been the source of great trial to them, but they know we regret this and they have never failed to understand us.*

*There is one new member of the Faculty this year. In the Junior High Science Department Miss Horsey is taking the place of Mr. Lyons who is now in the service.*

*We have at last reached the end of our long journey with them. As we leave them, we wish to thank them for their help and guidance. We appreciate all that they have done for us, and we know that they will continue on with the other classes who are still traveling down that stretch of the Road of Life known as High School.*

*We also wish to thank the board of education, the administration, and our parents, without whose help we would never have been able to complete the journey.*

OFFICE OF THE SUPERINTENDENT

Dear Folks,

I am writing my last page in East Rochester and the Old School we have all loved so well. I should like to devote that page to the boys and girls now in the Service of Our Country—boys and girls trained in part for that Service in E. R. H. S.

We at home are proud of all who serve—proud of your achievement and of our small part in that achievement. Your accomplishments demonstrate more than mere words the high caliber of manhood that East Rochester has produced. It is our sincerest wish that we at home may measure up to our important responsibility in such degree as you have done.

When the war is over and the exhausted world is licking its wounds, yours will still be the big job—the task of leadership in Reconstruction, in making a Just Peace, in building a New—a Better World. We will help!

So—Good Luck! Happy Landings! And Godspeed for a quick and safe return!

*Theo. L. R. Morgan*

## *Alma Mater*

Our Alma Mater,  
Reverenced be thy memory,  
Thy name we honor,  
Love we pledge to thee;  
Far and near are echoed,  
Sweeter praises to thy name,  
May thy foes relenting  
Loyalty proclaim.

### CHORUS

High School, dear old High School,  
We will ever loyal be,  
High School, Alma Mater,  
Dear thy memory,  
East Rochester High School,  
All our heart with lofty aim  
Bearing thy banners,  
Lead thy name to fame;  
Raise the name we honor,  
May it be a beacon light,  
Sending forth the glory  
Of old Brown and White.

OFFICE OF THE SUPERINTENDENT

*Dear People,*

*To all of you, in the camps and forts and battle lines and on the distant seas of this global war, I send the true affection of your Alma Mater and the pride of the folks back home in the bright record of your achievements.*

*No one can persuade me that any American community anywhere has a finer group of boys and girls in the armed services than has East Rochester. The loyalty and service you once gave to your school and community in athletics, clubs, and many other activities, you are now giving in a much higher degree to your country. It is all one and the same thing—the American way of thinking and feeling.*

*And so, in this Gogashoan for 1944, it is a special privilege and pleasure to wish you best of luck all the way, until your safe return.*

*Very sincerely,*

*W. N. Potter*

PROV. I, v

*And now, we want to introduce you to the Senior Class—the “Class of ‘44.” We have been a good class, a happy class, and a proud class.*

*Our last year in High School has been an especially good one. We have worked hard and have attained fame from many sources.*

*We gave many boys to the Armed Forces. Some have gone to college as a part of the Army's A-12 program, others are giving more immediate service for Uncle Sam in the Army, Navy, and Marine Corps.*

*Among our athletes, the old ones were still with us and many new ones were added. All of them have helped bring honor and glory to East Rochester High School.*

*Our scholars have been many and our class average is high. To Dorothy King and Judith Ciccone go the highest honors—those of Valedictorian and Salutatorian.*

*The officers of our class have done very well. They have been hard-working and efficient—a credit to those who elected them.*

*We wish to thank Miss Rice and Mrs. Cohen for the help and understanding they gave us. They were invaluable aides in making our last year a highly successful one.*

# *Senior Class History*

In September, nineteen forty, we were ushered into the halls of East Rochester High School, the largest freshman class ever enrolled, numbering well over 200 members. We were distributed among five homerooms. Our freshman officers were: Mike Martello, President; Mary Ellen Trescott, Vice-President; and Nick Verzella, Secretary.

In our Freshman year, we all met and became acquainted with Miss Rice, our lovable and truly capable adviser. Through her aid and guidance, we are the proud Class of '44.

As Sophomores, we were merged into partial oblivion against the fateful background of the treacherous attack on American bases in the Pacific. This lull in our scholastic career provided us with energy for active part in the school's war effort. Our sophomore officers were Mike Martello, President; John Celentano, Vice-President; and Mary Ellen Trescott, Secretary.

We began a series of tea-dances in our Junior year, which were a prelude to our financially profitable Junior Prom, featuring a Negro band and a plantation background. To Nick Verzella, chairman of the Prom, was due much credit for his untiring leadership. Throughout the entire school year War Stamp sales in the Junior room set an example for 100% participation. Class members also served on committees to salvage paper and tin. Junior Class officers were: Joe Marinelli, President; Mary Ellen Trescott, Vice-President; and Sam Urzetta, Secretary-Treasurer.

In our Junior year we took over the sports field. Art Gebhard and Sam Urzetta made All-County. David Potter won the sectional singles tennis tournament. As Juniors we proved ourselves adapt, not only in sports but music and artistic fields as well. Helen Bayko made the servicemen's plaque for the school.

Four of our members left us as Juniors, because of a desire to gain all the education they could before answering their nation's call. Graduated with the Class of 1943, were Art Engert, Mike Martello, Art Dimassimo, and David Potter.

We took over the Senior Room with over 100 members. As seniors we elected Don Crandall, President; Sam Urzetta, Vice-President; and Don Briggs, Secretary-Treasurer. To the Student Council we sent Joe Capriotti and Art Gebhard.

This year, as in others, the boys of our class again proved outstanding in sports. Among them were Eugene Little, Jack Erwin, Bud Parish, Wayne Harris, Art Gebhard, Sam Urzetta, Nick Verzella, Natal Calabrese, John Celentano, Joe Capriotti, and many others.

We had two outstanding cheerleaders who should receive special credit. They are Lily Jean Howland and Mary Ellen Trescott. Another Senior cheerleader was "Red" Specca. All three contributed much to the morale of our teams.

The co-editors of our school paper were Kathleen Smyth and Sylvia Quinzi while Joe Capriotti was selected by the officers of the class as Class-Day Chairman. Our War Stamp sales and collection of Red Cross projects reached new highs. We were successful in every project and sale. This year the magazine campaign again brought profit to the class. Eglio Specca and Mel Leisten were captains. Marjorie Downing was chosen Editor of the yearbook, with Margaret Steve and Kathleen Smyth to help her. Initiating the gala events of the year was the Harvest Ball, with Sylvia Else and Mary Ellen Trescott able co-chairmen. It was picturesque with color and rural harvest details.

Among those who left for the service were: Donald Ginegaw, John Celentano, Fred Robinson, Peter Pallini, Robert Henri, Dan Hyland, Jack Lane, Charles Switzer, Leonard Fulmer, Fred Fuller, Richard Melious, Dominic Dezio, and David Mellen.

We wish to thank Mr. Morgan, our superintendent, and Mr. Potter, our principal, Miss Rice, our class adviser, Mrs. Cohen, and all the faculty, for their continued interest and valuable assistance throughout our high school career. The Class of 1944 wishes Mr. Morgan great success in his new position.

May we all be worthy representatives of our beloved East Rochester High School and make commendable use of the training we have received.

## ★ *The Class*

Hear Ye! All! Let's listen to the achievements of the "Class of '45."

A special vote of thanks should be given to Mr. Brody for his fine leadership. For our student leaders, we elected Kenneth Bourne as president, Richard Steubing as vice-president, Lorraine Hackshaw as secretary-treasurer, and we sent Ted Pella, William Specca, and James Bleier to represent us in the Student Council.

Proving to be a very athletic class, the Juniors participated actively in all sports. Although there are too many to mention, we shall give recognition to some of our letter-men: Baseball: Ted Pella, William Specca, Moe Vincent, Louis Agosto, Bill Steve; Track: Frank Vandembush; Football: Romeo Dianetti, Steve Scarfone, Walter Courtney, Louis Agosto, William Steve; Basketball: William Specca, Joe Martin, Moe Vincent, John Pullano, Romeo Dianetti, Louis Agosto, William Steve.

Although boys are considered to be the better athletes, the Junior girls have also won recognition. Yvonne Julien's team was baseball champion; Joan Morgan and Audrey Lowe won the tennis tournament; Catherine Grant's bowling team went over the top with Thelma Suits' team a close second.

At the games we could always see Lynette Relyea and Nancy Schuler cheering our boys to victory. Moreover, Patricia Lindsay proved to be a fine drum-major.

Some of our members proved to be musically inclined and were sent to the All-State Music Festival. These were: Jacquelin Corbin, Aileen Ludwig, Joan Courneen, Barbara Steve, and Irene Dutko.

In behalf of the war effort, special note should be given to Jean Vogel, who went all out for the Red Cross, and John Spinder, who helped immensely in war stamp sales. The Junior room had 100% in war stamp sales throughout the entire year.

The Junior Prom proved to be our outstanding event under the chairmanship of Catherine Grant.

In the annual spring play "Junior Miss" one of our members, Audrey Lowe, played the lead, and was ably supported by a number of our classmates.

And so the doors close on the eleventh year and we go forth to the Senior class eagerly looking forward to further accomplishments.

## ★ *The Class*

The history of the Sophomore Class is not too long. As yet we haven't had much time to become prominent in the school, but we'll get there. In our Freshman year, as in everyone's Freshman year, there wasn't too much to do. We sold candy for our class pictures and that was about all.

Our Sophomore year has been very successful. On March 18, 1944, we held our Sophomore Hop which was a great success. We made enough money to pay all our expenses, including our year-book pictures.

There are about one hundred students in our class and they have actively participated in all the school's activities. Many of our students are in the band, boys' and girls' sports, clubs, plays, and various other activities.

We are still considered under-classmen but when our Junior and Senior years roll around, the Class of 1946 will be one that will be remembered.

The class officers are: President, Christine Hoto; Vice-President, Lester Slocum; Secretary-Treasurer, Ronny Conners.

Under the careful guidance of Miss Maxon, our adviser, we have progressed very successfully in every way. It has been through her understanding that we have had two successful years. We are therefore greatly indebted to her.

## *Junior Red Cross Council*

The Junior Red Cross Council was organized October 27, 1943, to direct the varied program of the Junior Red Cross.

This council is composed of one representative from each homeroom of the Junior and Senior High Schools, whose duty it is to take charge of all Red Cross activities in his particular homeroom.

This work is directed by Mrs. Saunders, the Junior Red Cross Chairman; and Mrs. Karger, chairman of the Production Committee.

The boys have taken charge of raising funds and, through their paper collections have netted a clear profit of \$500. The council has used some of this money to buy materials for the making of hospital supplies, afghans, bedside bags, stuffed animals, scrap-books, quilts, hot-water bottle covers, slippers, and so forth.

It has also donated large sums of money to the Children's Fund, the Red Cross Drive, and the Local Service Men's Committee.

The officers of this organization are as follows: President, Margaret Steve; Secretary, Adeline Nicodemi; Chairman of Shipping, Inez Dianetti; Assistants, Eileen Perry, Tommy Harter; Chairman of Publicity, Helena Bayko; Chairman of Materials, Jean Vogel; Chairman of Production, Roxana Burnett; Assistant, Ruth Stroud.

BACK ROW: *Bower, Dianetti, Radcliffe, Perry, Bayko, Steve, Harter, Dench, Morgan.* FRONT ROW: *Barbero, Burnett, DeFelice, Mrs. Saunders, Chudyk, Vogel, Nicodemi.*

*Although our activities have been somewhat curtailed, East Rochester High School can be proud of the achievements of their clubs and athletic teams.*

*The clubs have been fewer this year but they have been more active. A new organization, the Spanish Club was started this year under Miss Bronle's supervision. We hope that it will long be active.*

*In the line of competitive sports we have much reason to be happy. Our teams copped many honors this year. Although transportation and equipment were hard to obtain, Mr. Reed did an excellent job, and we wish to thank him for it.*

*The Intramurals, too, were highly successful. For the girls, two new sports were initiated—riding and bowling.*

*All in all, the year has been an active successful one, one to which we shall all look back with pride.*

BACK ROW: Gebhard, Straight, Mellen, Checko, Dezio, Smyth, Morgan, Montrieff, Mr. Skinner, Connors, Blood, Panarites. SECOND ROW: Fulmer, Lowe, Corbin, Miller, Quinzi, Albert, Niles, Smeller. FRONT ROW: Ransco, Wirth, Forbes, Piscini, Murphy, Grant, Gilchrist.

## *The Stage Crew*

The Stage Crew has progressed very nicely this year and has proved to be a great help at all the assemblies.

At the beginning of the year, with Mr. Skinner as our faculty adviser, we elected the following officers: President, Art Gebhard; Vice-President, George Fulmer; Secretary, Catherine Grant; Treasurer, Kenneth Smyth.

At our meetings, we have learned how to control the lights, curtains, and other things vital to the smooth running of assemblies.

With the Stage Crew operating diligently, all of our assemblies have progressed nicely and will continue to do so.

## *Custodes Ignis*

This year for the first time in many years, our Latin Club has had an extremely active year and its influence is being steadily felt on school affairs.

The following officers were selected at the beginning of the Fall Semester: Consuls: Barbara Steve, Catherine Grant; Scriba: Barbara Clay.

Who can ever forget Friday, March third, when the candidates for membership were initiated? The members wore togas, pounced upon the unfortunate initiates, and thoroughly put them through their paces. All the candidates were successful and became regular members of the club. The co-operation of the students and faculty was very greatly appreciated.

To Miss Fritz, our adviser, goes the greater part of the credit for our achievements of the year. To her we are deeply grateful for the effort and help extended.

In recent years there has been a sharp decrease in the enrollment of Latin classes in the High School. We truly feel that we are helping to carry on the Old Latin tradition. Although Latin is said to be a "dead" language, we do not strictly adhere to this belief. Of course the Romans and the glory that was Rome are gone, but the Latin influence remains. Latin is spoken in churches, taught in all the great educational institutions of the world and is an indispensable aid to the students of many modern languages. Because we feel that we are carrying the torch in the perpetuation of the Latin Classics we have, we believe, appropriately named our Latin Club "CUSTODES IGNIS"—The Keepers of the Flame.

## *Spanish Club*

En cada tierra su uso, y en cada casa su costumbre.

Every land has its usage, and every house its custom.

Early in the fall of nineteen hundred and forty-three, "El Circulo Espanol" was organized. Its members expressed the desire that its purpose be not only of a social nature but also such as to enable members to express themselves in Spanish and gain more knowledge of the life, customs, and countries of our neighbors south of the border. At our meetings which are held every other week, we occasionally have movies depicting colorfully and realistically the lives of our Spanish friends.

Our organization was started under the able supervision of Miss Bronte and elected for its first officers: Robert Henrie, \*President; Richard Corbin, \*Vice-President; Mary Ellen Trescott, Treasurer; and Nancy Schuler, Secretary. In the spring term, due to the absence of the first two officers, the meetings were led by Irene Dutko as President and Dorothy King as Vice-President.

## *National Honor Society*

"Scholarship, honor, reliability, courtesy,  
leadership, and school service."

Through a year characterized by uncertainty due to the war, the National Honor Society, under the capable guidance of Mr. Potter, Miss Wilson, Mrs. Saunders, and Miss Fraser, has upheld the tradition of a high standard of education in East Rochester High School.

Entrance into the society is attained by qualified members of the Senior and Junior classes during the fall and spring terms.

"Nothing great was ever accomplished  
without enthusiasm."

# Our School At War

MISS FRASER

E. R. H. S. graduates are serving in the armed forces of the United States and Canada on every battlefield of this war.

The reports of their experiences and deeds are constantly thrilling us, for they have distinguished themselves at Pearl Harbor, in the jungles of India and the South Pacific Islands, at Casablanca, in Algiers and Sicily, on the Anzio Beach Head, as well as on the desolate beaches of the Aleutians.

Our boys have been with the crews of the ships that arrived supplies of war through sub-infested waters to Murmansk beyond the Arctic Circle.

A former faculty member has had a narrow escape from drowning when the destroyer on which he was an officer sank, after having destroyed a huge white German submarine.

And today, scores of our alumni are in England feverishly advancing the preparations of D-Day.

In order to keep the bond between our service men and the school as close as possible, we have erected on the walls of the main hall of the high school build-

ing an artistic roster in their honor. A special bulletin board has been set apart for photographs, letters, news items, or souvenirs from those who are serving their country, and we try to keep the constantly changing addresses up-to-date.

Thus it can be seen that the present pupils of our school have had every inspiration to aid every war effort sponsored in our community.

Our boys and girls have had amazing success in their collection of newspapers, of nylon stockings, books for the camps, and good warm clothing for Greek refugees. They have rendered the Blood-Donors Unit valuable aid.

The Junior Red Cross has been highly commended for their fine work they have done in making toys and clothing for children, scrap books, afghans, and hospital supplies for wounded and sick soldiers.

Our proudest achievement has been the purchase of war bonds and stamps. From September, 1943, to May, 1944, the students and faculty have invested \$13,885.45. We plan before June 15, to increase this amount to \$15,000, the price of a PT Fairchild "Cornell" trainer. If we are successful a dedicatory panel with the name of our school will be placed in a "Cornell" trainer.

That the stamp and bond sale has had the whole-hearted support of the entire student body is proved by the fact that we have had the Minute Man Flag flying every month this year.

## *Spring Play*

The walls vibrating with rollicking laughter, the cast of "Junior Miss" presented the play to a very appreciative audience. It proved to be one of the most hilarious ever seen within the portals of East Rochester High School.

The people loved Audrey Lowe who played Judy Graves, an average mischievous girl; they sympathized with Yolando Acciari and Howard Hitchcock as Mr. and Mrs. Graves; they smiled at the aristocratic airs of Annie Lawrie as Lois Graves, the elder sister; they laughed at Shirley Stage as Fluffy Adams, Judy's naturally comical friend; they roared at Dominic Dezio as J. B. Curtiss, Harry Grave's big boss, and they watched a love affair spring up between Catherine Grant as Ellen Curtiss and David Melen as Willis Reynolds. Other able members of the cast were: Mary Ellen Patrick as Hilda, the maid; the boys that were Lois's admirers, namely, Floyd Parish, Gene Galiffo, Bill Blood, Burton Rose, Wayne Harris, and Kenneth Anderson. Eglie Specia played Judy's admirer. Other supporters were: Peter Pierce and Billy Filiaci.

This play was ably directed and produced by Mr. Carl Graboske. Herb Collins, Mary Jane De Felice, and Joan Morgan were among those responsible for the scenery and properties.

It will probably be a long time before East Rochester forgets this hilarious presentation.

## *Library Club*

The greatest change in the Library Club, in the past two years has been the fact that the club has been made much smaller and scholastic standards have been raised. This has resulted in a better-trained, more efficient group. The newest addition to the Library itself started two years ago when Miss Westbrook lent us three of her own paintings. This term we were lent seven more. They have been greatly admired by the faculty and students.

The duties of the members are the charging and discharging of books, and the keeping record of the circulation. Due to war activities the regular meetings and social affairs have been suspended.

In addition to the members appearing in the above picture, our club includes: Sylvia Else, Aldeen Draper, Audrey Jones, and Marjorie Trombley.

This term when elections were held, we found the officers to be:

## *Student Council 1943-44*

The 1943-1944 Student Council of East Rochester High School has added another commendable achievement to the annals of our Alma Mater.

During the past year, the third in which the council had to meet with perplexing war problems, the Student Council met regularly and did a satisfactory job in contending with varying problems and introducing new ideas for the benefit of our school.

The student group represents the various classes in high school, with the upper classmen having the larger representation.

Among the achievements compiled by this year's council, was the sponsoring of two successful movies in the East Rochester High School auditorium. The money derived from these performances went into the Student Association treasury to help pay for its numerous athletic expenses. The stage crew was presented a sizeable amount to reimburse them for their work in our high school.

A very valuable idea for promoting the sale of war bonds and stamps was introduced. This plan culminated in keeping competition between the students and homerooms very keen and helped immensely in stimulating sales. The award to the homeroom for investing the most amount of money per pupil at the end of each month was a plaque with the homeroom and class printed in gold.

This year a very serious problem was met and solved efficiently by the hard working homeroom representatives. As a bitter rivalry was growing between another school and ourselves it was decided best that the ill feeling be nullified at once before the rivalry became dangerous. With the aid of a very able representative from that school, the faculty advisers, and the Student Council, matters were reconciled and good terms were re-established. This perhaps is the outstanding achievement of the Student Council of 1943-44.

One member, Robert Henrie left school to enter college as a V-5 student.

The officers are: President, Nick Verzella; Vice-President, Robert Henrie; Secretary, Christine Hoto; Treasurer, Dorothy Baoni.

## *Coronation*

The Coronation Assembly featuring the newly elected King and Queen of the High School student body was held this year on May 19th. The program presented was centered about the theme of "Tolerance." After the crowns had been placed on the heads of Queen Lily Jean Howland and King Nick Verzella, the General asked permission to review representatives of the Armed Services of the United States. Twelve Army and Navy Men were then presented, and answering to roll call, told why they of foreign race by birth or nationality were loyal to America, the land of their adoption. Because May 21 was the fifth annual commemoration of "I Am An American Day," a day set aside for appreciating the value of citizenship in our land, President Roosevelt's proclamation appointing Sunday, May 21, was then read. The Americans included Yankee, Polish, Indian, Greek, Jewish, Negro, Irish, Chinese, Italian, Japanese, German, and Scandinavian representatives.

## *The Girls' Glee Club*

The Girls' Club has been somewhat more active this year than in the past. It appeared at the Spring and Fall Concerts. A new honor was bestowed on the Club this year by Mr. Potter. Twelve girls were asked to usher for the Spring Play and others to sell reserved seat tickets. This was handled efficiently and well.

The Girls' Glee Club was formed a few years ago because there wasn't room enough for all girls who wished to join the Mixed Chorus.

Our officers were chosen by the club in the beginning of the term and we have been very proud of their fine leadership throughout this year. These officers were: President, Grace Kier; Secretary, Shirley Van Scott.

The Girls' Glee Club is composed of fifty-two members. Many replacements had to be made in September, so many members had been lost through graduation.

Again this year we were very proud to send nine girls to the State Music Clinic which was held at Newark; Gweneth Longcoy, Irene Dutko, Mary Alice Piscini, Mildred Checho, Annie Lawrie, Connie Suddell, Margaret Steve, Grace Kier, and Sylvia Quinzi. This proved to be an unforgettable experience.

Judging from the popularity of this group, it should continue to be a prominent and large part of the musical department of East Rochester High School in the years to come.

## Mixed Chorus

One of the outstanding musical organizations of East Rochester High School is the Mixed Chorus. There are fifty-five members, including both boys and girls.

Under the able leadership of Miss Dorothy White, the chorus is considered one of the best in the county.

The group was very proud to send nineteen students to the Music Clinic which was held in Newark this year. The girls were: Connie Suddell, Jackie Corbin, Aileen Ludwig, Louise DiMartino, Irene Dutko, Gweneth Longcoy, Margaret Steve, Grace Kier, Annie Laurie, Mildred Checko, Alice Piscini, and Sylvia Quinzi. The boys were: Richard Melious, Sam Urzetta, Pat Piscini, Robert DiMatteo, Albert Patterson, Thomas Aquino, and Kent Hurley.

The Mixed Chorus has had an eventful year. They have appeared on the Spring and Fall Concerts and also helped in assembly programs throughout the year.

BACK ROW: Melious, Burns, Arcuri, Gauthier, Patrick, Redanty, Hurley, Nortier, Checko, Acquino, Scarfone, Alfieri, King, Urzetta, DiMartino, Pierce, Steve, Bickford, Courtemanche. *Orchestra*

With the close of the school year, the High School Orchestra under the able leadership of Mr. McConnell has again been outstanding in the musical activities of East Rochester High School. This year the orchestra has played in the two school concerts, at assemblies, the spring play, Baccalaureate, and the graduation exercises.

The officers elected were:

## *Band*

During the season of '43-'44, the sixty piece Senior Band with its excellent corps of twirlers ably led by Pat Lindsay and Mary Morreale, contributed greatly to the student's enjoyment of both basketball and football games.

As in recent years, several members attended the Music Clinic at Newark, New York. In the fall, the Comstock canning factory at Egypt invited the Band to participate in the ceremony in which the factory received the army "A" award.

The Spring and Fall Concerts were successful as in preceding years, as well as numerous assembly appearances.

The officers are: Wayne Harris, President; Marshall Perry, Vice-President; Lily Jean Howland, Secretary-Treasurer; Barbara Steve, Jean Lindsay, Librarians; Richard Melious, Roy Grover, Managers.

BACK ROW: Melville, Spring, Harris, Miceli, Brown, Conners, Melious, Sandle, Walrath, Grover. SIXTH ROW: Perry, Clark, Parish, Patti, Brainerd, B. Steve, M. Steve, Hurley, Slocum, Arielly. ## *Girls' Sports*

Co-operation, teamwork, and good sportsmanship are required of any good playing team in any field of sports. This term we have had a very successful time in every sport undertaken. We may truly say that girls' sports have played a major part in every girl's program. The girls didn't come down just to win; they came down to play knowing that it was helpful to them, both physically and mentally. With this thought lingering in mind may the future years be as successful as this one has proved to be.

Special honors should go to the Leaders Club. The members of this organization have tried their best to make each gym class more interesting and understandable as far as playing the games was concerned. This year's officers were: Susan Van Scott, President; Barbara Steve, Vice-President; Anne Stuart, Secretary-Treasurer.

The winning teams and captains were: Volleyball, Helen Bayko; Tennis, Joan Morgan, Audrey Lowe; Soccer, Mary Jane DeFelice, Helen Bayko; Bowling, Catherine Grant, Susan Van Scott; Basketball, Susan Van Scott. Each team played with the feeling of cooperation and good sportsmanship.

Special honors go to the Honor Volleyball Team and Honor Basketball Team. In the volleyball league each team selected two girls as their best players and these two girls together with the other team's choice played a game. With the aid of some of our teachers, they picked the Honor Team, which was composed of Mary Ellen Trescott, Helen Casaccia, Joan Morgan, Margaret Steve, Ann Beard, Mary Barker, Helen Bayko, and Susan Van Scott.

This is also true of the Honor Basketball team, except that 3 girls were chosen from the Senior-Junior League only. The girls picked for this honor were: Mary Ellen Trescott, Sophie Andrychuk, Helen Bayko, Mary Barker, Yvonne Julien, and Susan Van Scott.

The East Rochester High School team under the capable guidance of Mr. Johnson had a very successful season.

The position of first and second singles were filled by David Potter and Gene Little respectively. The doubles combination at the beginning of the season was composed of Parish and Whitmire, but, the latter was replaced by Erwin during the course of the season. Other members of the squad—notably Paul Nortier and Jim McGurk, ably substituted throughout the season.

David Potter, the outstanding player of the squad, succeeded in capturing the sectional singles title. This title had been previously won by two other players, Vernon Thayer, and Paul Ruster. However, David was the first Junior in the annals of our High School to gain this recognition as sectional champ.

## *Track - 1943*

Last year the track team took a back seat in the spring athletic program and had only one meet. This was the county meet at which the team did fairly well when consideration is given to the length of time they had practiced. Brighton won the county meet for the second consecutive time and E. R. again came in second. John Checko and Jack Dianetti were the only East Rochester men to win their events. Checko won the pole vault championship again and was the only one in the county to successfully defend his title. Jack Dianetti, a freshman and running in his first meet, defeated Bill Leet of Brighton, defending champion, by about 7 yards in a grueling but fast mile race.

Bob Henrie was the only East Rochester boy to place in more than one event. Bob tied for second place in the broad jump and tied for fourth in the pole-vault.

Other East Rochester boys to place were: "Arnie" Carlson in the high jump, Frank Nevin in the mile, Nick Verzella in the quarter mile, Bob Casselman in the sprints, Pete Pallini in the shotput, "Red" Vandembush in the hurdles and Arthur Archambo also in the high jump. The relay team made up of Bernie Rinebold, "Chopper" Corbin, Allyn Partridge, and Bob Casselman, ran second only to Brighton.

We are always proud of our track team.

The "43" Baseball Team cannot be termed successful because they closed the season with one victory to their credit against four defeats. Our new coach, Mr. Skinner, had only four veterans left over from the previous year. These were: Art Gebhard, Walt Courtney, Don Brainerd, and Bill Steve. The rest of the team was made up of substitutes and newcomers. We appreciate their spirit and true sportsmanship.

## Basketball

'43 — '44 SEASON

East Rochester High School Basketball team defending champions in the county loop again had an excellent year on the court. The regular season ended with E. R. and Brighton High School deadlocked for first place. In a play off game E. R. lost 39-34, to a strong Brighton team who went on to win the sectionals.

Throughout the regular season E. R. lost only one game, this was also suffered at the hands of Brighton.

Sam Urzetta uncanny floor general, Bill Steve ace pivot man, Natal Calabrese diminutive forward, and the hard fighting Nick Verzella led the team throughout the season. Joe Capriotti was out most of the season with an ankle injury and Romeo Dianetti was unable to finish out the season because of sickness.

The team was composed of fine sportsmen and founded on the basis of co-operation with teamwork the password.

Mr. Reed coach of the team should be complimented for the fine job he did in the absence of our regular coach Mr. O'Donnell, who is now in the Armed Services.

## *Reserve Basketball Team*

'43—'44 SEASON

The Reserve Team winners of all but four games, had a very good season. Many of the teams they played had the advantage of height, but our boys made up in fight, what they lacked in height. A smooth passing combination was worked around "Junior" Costantini and Mike Galante who provided most of the scoring punch. Other outstanding players were: Jimmy Passero, Lionel Courtemanche, "Wee" Schiefer, Norbert McLaughlin, and George Archambo. The team as a whole should be complimented for its fine baseball and good sportsmanship.

BACK ROW: DiMartino, Kettler, Longyear, Horneastle, Archambo, Scarfone, Mr. Skinner, Leeper, Montcrieff, Walrath, McLaughlin, Florin, Gratton. ## Football

The year 1943 saw East Rochester High School regain undisputed possession of the Monroe County Football Championship after sharing it with Webster the previous year. The Brown and White gridders won 7 games, lost no games, and were unscored upon in league competition.

After an unimpressive 20-14 victory over Newark the team defeated Fairport in a non-league encounter and proceeded to walk over Irondequoit 18-0 in a league fray. The men then journeyed to Albion where they defeated Albion 13-0 for the first time in 11 years.

Returning once more to league competition the team had little trouble disposing of Webster 7-0, Fairport 6-0, and Brighton 6-0, in that order.

It is worthy of note that for the third year in a row a Skinner-coached football team has either won or tied the Monroe County Championship.

We again received 6 All-County berths for the third successive year. Art Gebhard is the only repeater from last year. The All-County selections were Gino Filiaci at guard, Gebhard and Bill Steve at ends, Calabrese and Capriotti in the backfield, and All-County Captain Bud Parish at center.

## *Bowling Team*

The East Rochester High School Bowling team had another successful season. Winning the sectional championship for the second consecutive year, the East Rochester team had a total of 2626, which was closely followed by Edison Tech with a total of 2567. Our team included three veterans back from last year: Capt. Agosto, Frank Barbero, and George Ciarelli; also two newcomers: Amedio Ceretti and Nick Palermo, who really sparkled the team. Before bowling in the sectional, the East Rochester team had to roll off with Honeoye Falls for the Monroe County title. East Rochester's team earned a total of 2610 and Honeoye Falls of 2554. Nick Palermo was high with a total of 554 which was averaging 184 per game. Ciarelli, Agosto, Barbero, Ceretti also averaged 170 and better. Bowling in the singles for East Rochester was Tony Scata who had a consistent average of 170 which placed him third in the sectional.

Ciarelli and Agosto will be unable to return next year but we hope the other veterans will still be able to win the championship under the efficient coaching of Mr. Skinner.

## *Dance Orchestra*

The High School Dance Orchestra has enjoyed the best year it has had in the history of its organization. It has been an established organization for four years and has grown in size from the original eight pieces in 1941 to the thirteen piece orchestra of this year.

The orchestra played for dancing after the basketball games. It also played for a number of pep assemblies in the fall.

The orchestra of course has a treasury which pays for the music. With what is left, the members are treated to a good time before the school term ends. This year tickets to see Tommy Dorsey and his Orchestra were purchased for the members. A dinner was also planned.

The orchestra will be continued next year and we hope it will be a continued success.

The summer of 1944 finds the majority of the East Rochester High School alumni involved, like the rest of the Nation, in the tasks evolving from the World War. Whether in fighting or in working and planning, the greatest part of our thoughts, our physical energies, and our financial resources must be dedicated towards finishing this war as effectively as possible. For these reasons, we judged it wiser to forego the Annual Christmas Ball as well as the Summer Banquet of 1943. However, this year, we are fortunate in being able to hold our Banquet, at which time we shall honor the members of the class of 1943 as well as the Seniors of 1944. The dinner is to be held on Wednesday night, June 28th, at 7:00 o'clock at the Midvale Country Club. A cordial invitation is extended to the members of both classes to attend.

The Alumni Association looks forward to the successful return of our members in the Services, of whom we are justly proud, and assures them our fullest co-operation in completing the task they have set out to accomplish.

*Thus, the covers of this yearbook close on another year—  
a year successful in educational and patriotic endeavor.  
The Class of '44 hopes you have enjoyed this glimpse into  
the activities of the past year.*

*To you who remain in East Rochester High School, we  
say "Carry on! Hold the torch of learning ever high!"*

*To you who serve this glorious country on the battlefields  
and on the seas, we say humbly, "We are grateful to you  
and hope we have aided you in our patriotic activities of  
the past year!"*

*And now, at the end of four long years, we leave you.  
Upon looking through this Gagashoan, we hope you will  
remember it not as a yearbook but as our treasure chest of  
memories.*
